**LAND TRANSFER** – Oppose HB2035 HD1
Requires the Department of Land and Natural Resources (DLNR) to transfer to the Department of Agriculture specified non-agricultural park lands by a specified deadline.

**PUBLIC LAND LEASE EXTENSION** – Oppose HB2191 HD1
Authorizes the Board of Land and Natural Resources (BLNR) to extend certain leases of public lands for commercial, industrial, resort, or government use upon approval of a proposed development agreement to make substantial improvements to the existing improvements.

**IOLANI PALACE** – Support HB2209 HD1
Appropriates funds for repair, restoration, and maintenance of Iolani Palace and requires the DLNR to conduct a structural and electrical survey of Iolani Palace and submit to the Legislature a five- to ten- year working plan for Iolani Palace to proceed with repair, restoration, and maintenance work on the property.

**PUBLIC LANDS** – Oppose HB2297 HD1
Exempts lands set aside by the Governor to the Hawaii Housing Finance and Development Corporation (HHFDC) for the primary purpose of developing affordable housing from classification as public land subject to DLNR management and provides that lands set aside to HHFDC and no longer needed for housing, finance, and development purposes be returned to the public trust administered by DLNR.

**ALOHA HOMES** – Oppose SB2946 SD2
Establishes the ALOHA homes program to develop housing along the rail allowing them to condemn property as needed and give out 99 year leases for “state lands” aka Hawaiian Kingdom crown and government lands and exempt lands leased or transferred to the control of HHFDC from the definition of public lands.

**PUBLIC LANDS** – Oppose SB2036 SD2
Clarifies that lands set aside to the HHFDC by the Governor or leased to the HHFDC by other State Departments and agencies are excluded from the definition of public lands and require approval from the Legislature upon disposition and requires that lands set aside by the Governor or leased to the HHFDC be returned to the public trust or to the leasing agency if the HHFDC is no longer needed by the HHFDC.

**PUBLIC LANDS** – Oppose SB2648 SD2
Clarifies that lands set aside to the HHFDC by the Governor or leased to the HHFDC by other State Departments and agencies are exempt from the definition of public lands and also clarifies that lands set aside by the Governor or leased to the HHFDC from other state agencies are subject to legislative approval prior to the sale or gift of those lands.

**KULEANA LAND** – Support SB749
Helps Kanaka Maoli families on their lands by alleviating the economic stress of defending themselves against Quiet title actions. Kuleana lands were granted to Kanaka Maoli tenant farmers between 1850 and 1855 and include gathering, access, and agricultural rights as well as the right to build a dwelling. Only 8,205 Kanaka Maoli received Kuleana lands that account for less than 1% of Hawaiian Kingdom lands. Many of these awards were adversely possessed by corporations but a precious few are still in the same families today keeping their ancestral tie to their lands.

**KOHO PONO**
KOHO PONO is an initiative of the Ka Lāhui Hawai‘i Kōmike Kālai‘aina

**KOHO PONO is an initiative of the Ka Lāhui Hawai‘i Kōmike Kālai‘aina**
For more information go to: www.kalahuihawai.org
**Q1** Do you support strengthening laws, rules and protocols for permitting large projects such as the Kahuku Windmills that would include a long, transparent and vigorous process to get the consent of the communities they will directly affect before the project is approved?

**Q2** Are there adequate legal protections and safeguards in place that are consistently applied to ensure the protection of “previously identified” and “inadvertently discovered” burials of iwi kupuna when permitting both private and public construction projects on O‘ahu?

**Q3** The City and County of Honolulu has until 2028 to open a new landfill and cease operations at the Waimanalo Gulch Sanitary. Given the environmental justice issues that proliferate Oahu’s Leeward Coast, including HPOWER’s fine for exceeding the allotted amount of dissolved solids in the recirculation water it uses in its cooling towers as well as the only construction and demolition landfill, will you work to find a new landfill site outside of the Leeward Coast?

**Q4** Do you believe that there are ways to jump start the local economy post COVID-19 in a sustainable way outside of tourism?

**Q5** Do you support the collection of data relating to police arrests and prosecution of cases within the Office of the Prosecutor to assess and address racial and ethnic disparities?

### Senate/House Candidate Q&A

**Q1** Do you support the transfer/sale of any portion of the 1.8 million acres of “ceded lands” aka stolen Hawaiian lands out of the Department of Land and Natural Resources?
